PRICE: **£35.00** Hardback

- The classic text with extensive new illustrations
- Comprehensive and very readable historical and artistic survey of botanical illustration
- Written and revised by two leading experts of the twentieth century

**Revised and** enlarged by Professor W.T. Stearn, this major work first published in 1950 is still considered the classic book on the subject. It provides a survey of the development of botanical illustration from palaeolithic times to the highly scientific works of today.
