- A beautiful new book on the great lady of interior design, Walda Pairon

**Walda Pairon** is one of the most influential classical designers of her generation. She draws up her unique and warm interiors from a strong interest in colours, fabrics and fashion, and combines old and characterful objet d'art with more recent objects into an inspirational living space. Ivo Pauwels, a renowned garden and lifestyle writer, perfectly captures the atmosphere of Pairon's interiors. Cees Roelofs is one of the foremost lifestyle photographers in the Low Countries.
