ILLUSTRATIONS: 126 col., 140 b.&w.

PRICE: **£35.00** Hardback

- The classic text with extensive new illustrations
- Comprehensive and very readable historical and artistic survey of botanical illustration
- Written and revised by two leading experts of the twentieth century

Revised and enlarged by Professor W.T. Stearn, this major work first published in 1950 is still considered the classic book on the subject. It provides a survey of the development of botanical illustration from palaeolithic times to the highly scientific works of today.
